### **BOEING CYBER GRANT RESEARCH SCHOLARSHIP APPLICATION AT&T RESEARCH SCHOLARSHIP APPLICATION WASHINGTON RESEARCH FOUNDATION RESEARCH SCHOLARSHIP**

TMP is a program designed to maximize the experience of students pursuing degrees in Science, Technology, Engineering, and Math in order to increase their retention, achievement, and graduation. The Boeing Cyber Grant Research Scholarship and the AT&T Research Scholarship will support students in TMP in a research activity. Awards will be in the amount of \$750.00 to \$1,000.00 and will be for a single semester or summer. Awardees may competitively reapply for additional summer or semester. Priority will be given to first time applicants.

To be eligible for this scholarship Mentees must:

- be active participants in the Team Mentoring Program and be in good academic standing
- identify a faculty Mentor and a research project (doesn't need to be a TMP Faculty Mentor)
- complete this application and commit to provide an evaluation on the impact of the research experience in your educational goals upon completion of the semester
- Attach a current resume (you can ask your TMP Mentor or academic advisor for help)

This Scholarship is sponsored by the Boeing Cyber Grant, the Washington Research Foundation and the AT&T TMP Grant and can be used during the Fall of 2017 or Spring, Summer, Fall of 2018. **Application Priority Deadlines**

- September 8, 2017 for Fall 2017
- December 1, 2016 for Spring 2018, and May 4 for Summer and Fall 2018
