Alpha Nu Multicultural Sorority, Inc. was founded by 7 Authentically "Diverse, Devine, and Fine" founding mothers, to help welcome women of all nationalities, religions, sexualities, abilities, ages, and cultures to create an organization that embodies "Come As You Are." Alpha Nu was officially founded on February 27, 2008, on the campus of WSU. We respect and accept every woman for who she is. Together we work to help better the campus climate, increase advocacy, promote cultural unity, and build authentic and self-confident women. We aspire to graduate EACH and EVERY ONE of our sisters while leading them to not only change the world but continue learning, growing, and experiencing a prosperous life.
Alpha Pi Omega Sorority Inc., is the country’s oldest Native American Greek letter organization. Founded at the University of North Carolina-Chapel Hill on Sept. 1, 1994, the sorority has more than 700 sisters representing more than 100 tribes nationwide and 20 chartered chapters. We are truly a united sisterhood of indigenous women who are committed to each other, our communities, tribes, families, academic excellence and self-empowerment.

Xi Chapter of Alpha Pi Omega Sorority, Inc.
Alpha Psi Lambda was founded in 1985 on the campus of the Ohio State University in Columbus, Ohio. Since then the organization has grown to include over 2,300 members, 25 collegiate chapters in Ohio, Illinois, Indiana, Florida, South Carolina, Kentucky and Texas and 7 alumni associations. The expansion of Alpha Psi Lambda to universities across the country extends its influence more and more each year.

We are a Co-educational Fraternity geared towards the goals of Latino students on university campuses. As the fastest growing minority in this country, it is becoming more and more important that the Latino community continue their education. This trend has also brought with it a need for cultural awareness, cultural identity, and cross cultural understanding. As a result, there is an increased need for Alpha Psi Lambda for which we try to assist in the identity of our culture. This trend has been demonstrated by the growth of our Fraternity.

The Lovely Sisterhood of Chi Delta Sigma Sorority, Inc. was founded on February 8, 2007, at Washington State University (Pullman Campus) by three lovely mothers, Mother Noelle Valbuena, Mother Nicole Crebillo, and Mother Jacqueline Balatbat. Our sisterhood is the first and only non-exclusive Asian-Pacific Islander Interest sorority, while welcoming all diverse backgrounds reflected among our members today.

We seek to promote awareness of AAPI experiences, our deeply-held philanthropies (Alzheimer's Disease & Breast Cancer), and womxn issues. Our dedication lies within providing a strong support group to anyone seeking sisterhood, empowering each other as leaders and as a family, and supporting each individual's academic aspirations and achievements.

"First on Campus, First in History"
Chi Sigma Alpha National Sorority, Inc. was established at the University of Washington on September 25th, 2002. Nine strong women wanted to build a sorority based on improving scholarship, character, and leadership among women. Washington State University recognized the Colony of Chi Sigma Alpha on March 9th, 2013. We are an Asian-American interest sorority, but not Asian exclusive.
